'Cause you asked for it 'Cause you need one from me

Not gonna help you load the sleigh
All I want this season is my family to have reason to
Turn the Christmas trees on today. (no Blue Ray)

No thumb drive, no Wii Fit
No Elmo, you don't need it too
No Smart Car, you're grounded - HEAR me when I say:

Chorus 2

I'm Not gonna buy you a Samsung
'Cause you asked for it 'Cause you need one for free
Not gonna hand you a Hanna Montana, cause that Santa well he can't afford it
Not gonna help to load the sleigh.

and Bernanke is a Bailing
with election number trailing
for McCain and Sarah Palin
What the heck was she inhailin'

and Turn the Christmas trees on Today

WHALE Holiday Marching Band – 2008 Radio Parody

Viva La Vida

Verse

I used to have a golden sleigh
Then I lost my IRA
Now Christmas morning in the arctic Zone
I'm just looking for a loan

Bridge

I'm so hungry I can hardly wait
For those cookies on the plate
But I'm telling you that Santa's near
Let's celebrate this time of the year

Chorus 1

Roaming holiday carolers singing
Jewish children with dreidles spinning
Kwanzaa kids have their candles blinging
Santa's loaded with toys he's bringing

Gold Medal Michael Phelps still swimming
Philadelphia Phillies Winning
See Obama and Biden Grinning
January's a new beginning

For some reason I can't explain
I'm still St. Nick calling Dasher's name
With my Reindeer Herd
Bringing presents to the World

HO

HO HO HO HO HO... HO

Ending

(Christmas Bells - Snoopy vs. Red Baron)
